

Taking innovation and precision to new heights.

With Miele PERFORMANCE and PERFORMANCE PLUS washing machines.

Miele Professional. Immer Besser.

THE
BENCHMARK
MACHINES

#MieleNewHeights

Laundry care to meet the most exacting of demands.

Washing and drying benchmark: Miele Professional.

In businesses faced with mountains of laundry, every detail counts: Short cycles, reliable results, simple operation and low costs are essential to efficient and economic operation. Miele Professional's 'Benchmark' machines unite all these features in a single model series – and offer even more! This represents not only a quantum leap in laundry care but also the ultimate in terms of convenience.

EXCELLENT USER CONVENIENCE

through 'OneFingerTouch' automatic door locking and simpler loading and unloading thanks to a larger door opening

PARTICULARLY SIMPLE AND FAULT-FREE OPERATION

with 12 fixed programmes and a display with information in local language

REDUCED WATER AND ELECTRICITY CONSUMPTION

through improved machine design

OPTIMUM LAUNDRY CARE

thanks to patented Mark II honeycomb drum with redesigned shower ribs

PERFECT DEWATERING

for low residual moisture – thanks to a drum design aimed at efficiency

Top-class efficiency & performance.

Miele **Performance Plus** washes a Cottons **60°C load** in 45 minutes – using up to **20 l less water and up to 30% less electricity in the process.**²

This increases laundry turn-around and reduces the capitalisation period to a minimum.

Miele Professional benefits.

FRONT PANEL¹

made from high-grade stainless steel

EXTREMELY SMOOTH RUNNING

thanks to new spring suspension system

FAST CAPITALISATION

through significant cost savings

IMPROVED INSTALLATION SITE ACCESS

through optimised machine dimensions

ADDITIONAL POTENTIAL ECONOMIES

through retrofittable weighing plinth

199 PROGRAMME SLOTS¹

freely programmable to customise machines to the needs of your business

REDUCED CONSUMPTION

of water, electricity and detergent

¹ PERFORMANCE PLUS models

² Compared with previous PW 6xx7 series
